

June 15, 2021 (Update to Trade Letter dated June 10, 2021)

Dear Trade Partner,

This is to give you an update regarding **Chemet® (succimer) capsule 100mg**, NDC 55292-201-11. If your customer placed an order for Chemet in June 2021, the order will be filled in the next few days. If your customer placed an order before June 1, 2021 and they have not received their order of Chemet, please instruct them to check the status of their order as they may need to reorder the product.

As always, we greatly appreciate your business and your support. Should you have any questions about your order, please contact your primary wholesaler or Cardinal Health SPS Customer Service at 1-866-654-0539.

Regards,

*Peter Strauss*
